## SUMMARY

My name is Saksham Singh. I am a full stack web developer with strong skills in building and managing web applications. I am also a professional in dropshipping, AI tuning, and cyber security, helping businesses grow and stay secure online. Additionally, I specialize in social media marketing and management, boosting brands and creating digital impact across platforms.

## EXPERIENCE

### KOTAM ENTERPRISES

SOCIAL MEDIA MANAGER 2024-25

- Manage and grow the company's social media presence by creating engaging content and campaigns across platforms.
- Collaborate with marketing and creative teams to optimize brand messaging and audience engagement.

### AFFLIX INDIA/ZODIARK

FOUNDER AND OWNER 2025/CURRENT

- I am the founder and owner of Afflix India, a business dedicated to selling sports equipment across India using the dropshipping model. Through Afflix India, I provide customers with high-quality sports products efficiently, leveraging innovative e-commerce solutions to reach a wide audience.
